

buy & live well a house from the past
becomes a home for the future

Featuring in Qld Homes Magazine

Elegant and chic – designer's own home, recognized as one of 'queensland' most interesting homes'. Located in a tightly held pocket of a cul-de-sac growth suburb with genuine community spirit.

A home of this calibre in this position is a rare find.

All planning and all work is done, you have the time and opportunity to explore the natural beauty and amenities of its surrounds, plus the security of being in a Northside Brisbane hotspot. A rare find indeed.

THE HOME

Beautiful pavilion style. Shuttered indoor / outdoor living and entertaining. Four bedrooms, three bathrooms.

All living is on one convenient level with a wonderful interplay of light, cross ventilation and space ... thoughtful redesign has created numerous private spaces and 'sweet spots' which can be used or interpreted for a variety of uses. The kitchen is placed at the heart of this engaging home.

FEATURES

Polished floors, stone bench tops, gas cooker, claw foot bath, exquisite wallpapers, bay windows, leadlights...

The beautiful backyard would accommodate a pool, chooks, veges, grapes, fruit trees ... The property is fully fenced ... has three car off street parking.

THE AREA

This now gracious home is situated a stones throw from local Brisbane City Council library, ACU, local private and public schools. Bookended to the north and south by golf courses and to the east by bushland and wetland reserves. 18 mins by train to CBD and private secondary schools. 5 mins to wetlands cycle ways, the bay, boating, fishing. 5 mins to major arterial roads, 50 minutes to both North and South Coasts...

BONUS

Vintage furniture package and future investment concepts available from designer by arrangement.
